**Re: In the Matter of Mechanical and Digital Phonorecord Delivery Rate Adjustment
Proceeding, Docket No. 2006-3 CRB DPRA**

Dear Ms. Brent:

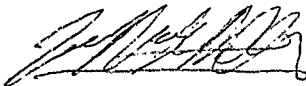

I believe that the CD that we filed on July 23, 2008, to accompany the filing of the public version of RIAA's Proposed Reply Findings of Fact and Reply Conclusions of Law is missing the .PDF copy of RIAA's Proposed Conclusions of Law, which we intended to include on the disc.

Attached to this letter, please find a corrected disc that contains the missing file named as ***RIAA Proposed Reply Conclusions of Law.pdf***. The attached corrected disc also contains the other 2 files from the original disc. Therefore, it may serve to either supplement or replace the public disc provided to you on July 23.

The above mentioned oversight affected only the Court's CD. I confirmed that the public CDs served on other parties indeed contains all files, including ***RIAA Proposed Reply Conclusions of Law.pdf***.

Please let me know if you have any questions.

Very truly yours,

Jeffrey K. Phillips
